

## REMARKS

This is a full and timely response to the outstanding Advisory Action mailed October 5, 2005. Reconsideration and allowance of the application and presently pending claims are respectfully requested.

### **Present Status of Patent Application**

Upon entry of the amendments in this response, claims 29 - 47 remain pending in the present application. Claims 1 - 28 have been canceled. Applicants reserve the right to pursue the subject matter of these canceled claims in a continuing application, if Applicants so choose, and do not intend to dedicate the canceled subject matter to the public. Claims 29 - 47 are newly presented. Applicants believe that no new matter has been added in the new claims. Reconsideration and allowance of the application and presently pending claims are respectfully requested.

#### **A. Statement related to rejection of claims 1-8 and 11-28**

The Advisory Action mailed October 5, 2005 re-iterates the rejection of Claims 1-8 and 11-28 that was carried out in Final Office Action mailed June 15, 2005.

Furthermore, per the Advisory Action, claim amendments proposed by Applicants in Response filed August 11, 2005 have not been entered for purposes of appeal.

#### **Response to the rejection of claims 1-8 and 11-28**

Applicants have currently canceled Claims 1-8 and 11-28. Consequently, Applicants respectfully assert that the rejection of Claims 1-8 and 11-28 has been rendered moot.

#### **B. Remarks related to new claims 29 - 47**

Applicants respectfully draw attention to Applicants' original application, specifically to FIGs. 11 and 12 and the related description, which describe a large part of the material contained in Claims 29 - 47.

### **Prior Art Made of Record**

The prior art made of record has been considered, but is not believed to affect the patentability of the presently pending claims.

**CONCLUSION**

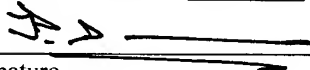

In light of the foregoing amendments and for at least the reasons set forth above, Applicants respectfully submit that all objections and/or rejections have been traversed, rendered moot, and/or accommodated, and that claims 29 - 47 are in condition for allowance. Favorable reconsideration and allowance of the present application and all pending claims is hereby courteously requested. If, in the opinion of the Examiner, a telephonic conference would expedite the examination of this matter, the Examiner is invited to call the Undersigned Representative at (404)-610-5689.

Respectfully submitted,
